<sup>1</sup> School Staffing (England) (Amendment) Regulations 2014 mean that from 1 September 2014 training providers no longer have to be approved by the secretary of state.

- A minimum of two references will be received and scrutinised – one to be from the current or most recent employer
- Information provided by the Headteacher for an internal candidate will be considered like a reference for an external candidate
- If a panel member knows something factual (i.e. that can be supported by evidence) about a potential candidate that other members may not know, the information will be shared so that the panel itself can decide if it is relevant
- Any information about past disciplinary action or allegations should be considered carefully when assessing the applicant's suitability for the post (including information obtained from the NCTL Teacher Services checks referred to in 5.1).

#### **4.6 Interviews**

- Interviews will be required for all shortlisted applicants and will always be conducted face to face. Telephone interviews may be used at the shortlisting stage but will not be a substitute for a face to face interview.

    - Bring with them evidence of their identity (photographic), address and qualifications. Original documents only will be accepted and photocopies will be taken. Unsuccessful applicant's documents will be destroyed.
- 

#### **5.0 Making the Offer of Appointment**

- An offer of appointment to a successful candidate, including one who has lived or worked abroad, is conditional upon satisfactory completion of the following pre-employment checks.
- The Appointing Officer will:
  - verify a candidate's identity, following the DBS identity checking guidelines <https://www.gov.uk/government/publications/dbs-identity-checking-guidelines/id-checking-guidelines-for-dbs-check-applications>
  - obtain a certificate for an enhanced DBS check with a barred list information where the person will be engaging in regulated activity
  - obtain a separate barred list check if an individual will start work in regulated activity before the DBS certificate is available
  - check that a candidate to be employed as a teacher, or to carry out 'teaching' work, is not subject to a prohibition order issued by the Secretary of State, using the NCTL Teacher Services website (formerly called 'Employer Access Online')
  - check that a candidate to be employed in a management position within an academy is not prohibited from doing so (a section 128 direction), using the NCTL Teacher Services website
  - verify the candidate's mental and physical fitness to carry out their work responsibilities – PEAQ or Assessment of Fitness to Work
  - conduct other checks related to the requirements of the role e.g. driving licence or valid insurance
  - verify the person's right to work in the UK
  - if a person has lived, or worked outside the UK make any further appropriate checks (para 9 below)
  - verify professional qualifications, by requesting certificates of evidence as appropriate
  - for staff who work in childcare provision or who are directly concerned with the management of such provision we will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the Childcare (Disqualification) Regulations 2009 by requiring signature on declaration form (Appendix 1)

### **5.1 DBS Certificate**

- A DBS certificate will be obtained from the candidate before or as soon as practicable after appointment. Alternatively, if the applicant has subscribed to it and gives permission, we may undertake an online update check through the DBS Update Service.
- Before using the Update Service, we will:
  - obtain consent from the applicant to do so
  - confirm the certificate matches the individual's identity
  - examine the original certificate to ensure that it is for the appropriate workforce and level of check, e.g. enhanced certificate/enhanced including barred list information.

### **5.2 Agency and Third Party Staff**

- We will obtain written notification from any agency, or third party organisation, we use that the organisation has carried out the checks on an individual who will be working at the School/Academy that we would otherwise perform.
- This will include, as necessary, a barred list check, prior to appointing that individual. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

### **5.3 Volunteers**

- We will prevent people who pose a risk of harm from working with children by adhering to statutory responsibilities to check staff who work with children, taking proportionate decisions on whether to ask for any checks beyond what is required; and ensuring volunteers are appropriately supervised. Under no circumstances will we allow a volunteer in respect of whom no checks have been obtained to be left unsupervised or allowed to work in regulated activity.
- If we appoint volunteers, we will adopt the same recruitment measures as we would for paid staff. Where the volunteering role will be a one-off such as accompanying teachers and students on a day outing or helping at a concert or school fete, such measures would be unnecessary provided that the person is not to be left alone and unsupervised in charge of children.
- In summary:
  - For new volunteers in regulated activity who will regularly teach or look after children on an unsupervised basis or provide personal care on a one-off basis we will obtain an enhanced DBS certificate with a barred list check
  - For new volunteers not in regulated activity we will obtain an enhanced DBS certificate
  - For existing volunteers who provide personal care, we will consider obtaining an enhanced DBS certificate with barred list check
  - For other existing volunteers who are unsupervised and continuing with their current duties, unless there is cause for concern we will not request a DBS check with barred list check because the volunteer should already have been checked
  - For existing volunteers not in regulated activity there is no requirement to request an enhanced DBS check. However, we may choose to request one if we judge it necessary but we cannot request a check of the barred list
  - If a volunteer is not engaging in regulated activity, we will undertake a risk assessment and use our professional judgement and experience when deciding whether to seek an enhanced DBS check.

### **5.4 Governors**

- All Governors in maintained schools must now have an Enhanced DBS check. Any Governors who volunteer in our establishment will be treated on the same basis as other volunteers, that is, an enhanced DBS check with a barred list check if they are to be engaged in regulated activity.

## **6.0 Induction**

- All new employees will be given an induction programme which will include systems within the School/Academy which support safeguarding. This includes:
    - the child protection/ safeguarding policy
    - the staff code of conduct
    - the Designated Safeguarding Lead
    - Acceptable use of IT agreement.
  - All staff members will also receive appropriate child protection training which is regularly updated.
  - All staff will be required as part of their induction to read and understand at least part one of the Keeping Children Safe in Education 2016 statutory guidance.
- 

## **7.0 Single Central Record**

- A single centralised record is kept in accordance with the DfE requirements. This is kept up to date by The Business Manager and is retained securely by the School/Academy. It contains the following details:
    - all staff (including supply staff, and teacher trainees on salaried routes) who work at the school
    - regular volunteers who are engaged in regulated activity
    - Trustees.
  - The information recorded on these individuals is whether or not the following checks have been carried out or certificates obtained, and the date on which the checks were completed:
    - an identity check
    - a barred list check
    - an enhanced DBS check
    - a prohibition from teaching check
    - further checks on people living or working outside the UK
    - a check of professional qualifications
    - a check to establish the person's right to work in the United Kingdom
    - Disqualification by Association declaration form where relevant.
  - Where checks are carried out on volunteers, this will also be recorded on the single central record.
  - For supply staff, we will also include written confirmation that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates.
  - A designated Trustee will be responsible for auditing the Single Central Record and reporting his/her findings to the full Governing Body annually.
- 

## **8.0 Record Retention**

- Copies of DBS certificates will not be retained as this is not a requirement of the duty to maintain the Single Central Record.
  - A copy of the other documents used to verify the successful candidate's identity, right to work and required qualifications will be kept for the personnel file.
- 

## **9.0 Applications from Overseas Applicants**

- If an applicant has lived or worked overseas for a period of at least 3 months during the previous 5 years then further checks will be made to ensure that any relevant events that occurred outside the UK can be considered. The Home Office has published guidance on criminal record checks for overseas applicants and can be accessed at <https://www.gov.uk/government/publications/criminal-records-checks-for-overseas-applicants>.

- These further checks should include a check for information about any teacher sanction or restriction that an EEA professional regulating authority has imposed, using the NCTL Teacher Services system. Although restrictions imposed by another EEA regulating authority do not prevent a person from taking up teaching positions in England, schools should consider the circumstances that led to the restriction or sanction being imposed when considering a candidate's suitability for employment.
